

**BORN  
& BREWED**  
ON THE PRAIRIES

Since 1989, Brewsters has lead the way as Saskatchewan's Premiere Craft Brewery. Our brews draw from the vast history of brewing around the world, but are equally influenced by the culture and traditions of the prairies.

**ORIGINAL  
LAGER**

Using a mix of Perle, Cascade and Northern Brewer hops, this Pale Straw coloured, European style lager comes out crisp and clean with a slight maltiness to it.

**ABV: 5%**  
**IBU: 18**

**WILD WEST  
WHEAT ALE**

Brewed using 40% wheat malt, this filtered Canadian style wheat ale uses a cleaner yeast and more hops than its German counterpart. It is golden yellow in colour and is best served with a lemon wedge.

**ABV: 5%**  
**IBU: 12**

**BELGIAN  
WHITE ALE**

Belgian style witbier spiced with fresh coriander and orange peel and brewed using 45% white wheat malt. Squeeze an orange into this unfiltered straw and orange hued ale for an even more citrusy kick.

**ABV: 5.2%**  
**IBU: 20**

**CZECH  
PILSNER**

European style pilsner highly hopped using primarily Czech saaz hops. This pale gold pilsner style lager is light and crisp yet full of flavour.

**ABV: 4.8%**  
**IBU: 40**

**BLUEBERRY  
WHEAT ALE**

Using our already tasty wheat ale, we add flavours of blueberry to give it a thirst quenchingly fruity finish. We also add blueberries to the top of every pour.

**ABV: 5%**  
**IBU: 12**

**RASPBERRY  
WHEAT ALE**

Flavours of raspberries are infused into our refreshing wheat ale to give it a nice berry punch. Even better, every pour is topped off with a scoop of raspberries.

**ABV: 5%**  
**IBU: 12**

**TONGUE PEELER  
IPA**

A hop forward American styled IPA light copper in colour. This ones all about the hops using Columbus, Ahtanum and Cascade.

**ABV: 6%**  
**IBU: 60**

**HAMMERHEAD  
RED ALE**

A traditional amber ale, this reddish-brown beer gives out a big malty flavour and a toffee and caramel sweetness.

**ABV: 5%**  
**IBU: 12**

**MORE COWBELL  
MILK STOUT**

NITRO TAP + Stout and milk go together like coffee and cream. This rich and creamy milk stout is full of roasted malt and coffee flavours. Not for the lactose intolerant but udderly delicious!

**ABV: 5.5%**  
**IBU: 30**
